Table of Contents

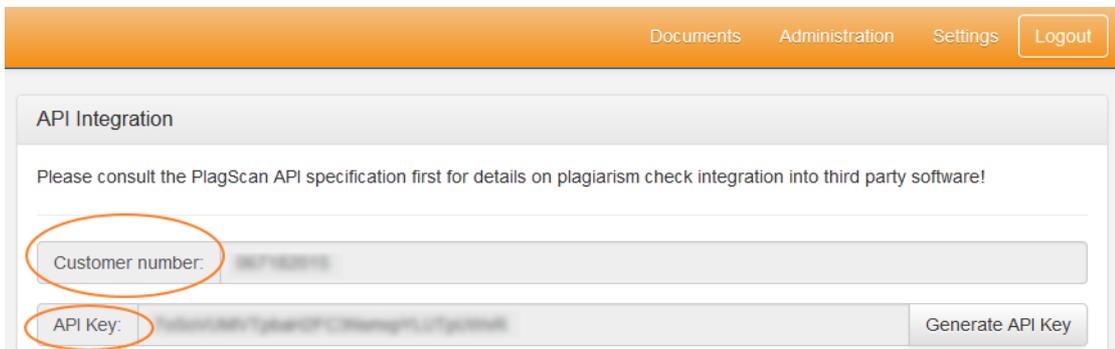

Phase I: Copy PlagScan API credentials.....	1
Phase II: Paste PlagScan API credentials into Schoolology.....	2
Phase III: Submission by using the PlagScan Schoolology Integration.....	6

Phase I: Copy PlagScan API credentials

The PlagScan API credentials consists of **A) custom number** and **B) API key**. You need both in order to integrate PlagScan into Schoology.

 Obtaining your CUSTOMER NUMBER and API KEY

- 1 Enter the [plagiarism portal URL](#) in your browser.
- 2 Log in to the plagiarism portal with your PlagScan administrator (!) account.
- 3 Click on „ADMINISTRATION“ in the top bar and then „API INTEGRATION“ in the side bar.
- 4 Copy your “CUSTOMER NUMBER” and save it in any kind of text document. For this manual we choose a Word document.

 In order to copy your “CUSTOM NUMBER” double-click on the respective numbers. Press STRG + C on your keyboard to copy and STRG + V to paste them in your Word document.

- 5 Click on the „GENERATE API KEY“ button
- 6 Copy the “API KEY” and paste it into your text document.

- 7 Now your "CUSTOMER NUMBER" "API KEY" are saved here:
Both numbers are your PlagScan credentials. Let's go on to Schoolology

Phase II: Paste PlagScan API credentials into Schoolology

Now let's integrate the API credentials into Schoolology

Integration of PlagScan into Schoolology

Requires instructor login data and API Credentials (CUSTOMER NUMBER + API)

saved in a Word Document

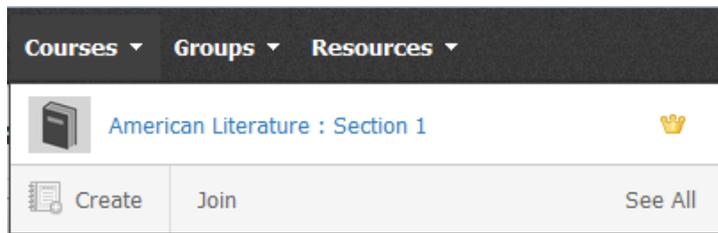

- 1 Enter the Schoolology URL in your browser
- 2 Log in to Schoolology with your instructor's account.
- 3 Click on the „COURSES“-Button.

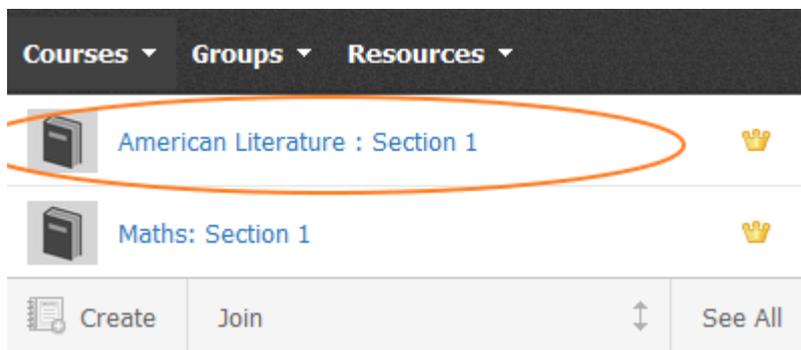

The screenshot shows the Schoolology user interface. At the top, there is a navigation bar with the Schoolology logo, a search icon, and menu items for Home, Courses, Groups, and Resources. Below the navigation bar, there is a sidebar on the left with options for Recent Activity, Calendar, Messages, People, and App Center. The main content area displays a 'Recent Activity' section with a message 'You have no active courses' and a 'Most Recent' dropdown. Below this, there is a 'Post' section with buttons for Update, Create, Join, and See All. An orange arrow points to the 'Courses' button in the navigation bar. Below the 'Post' section, there is a welcome message: 'Welcome to Schoolology, Tom Plag!' followed by a list of links: 'Start the tour', 'Read our company Blog', and 'Help Guide'.

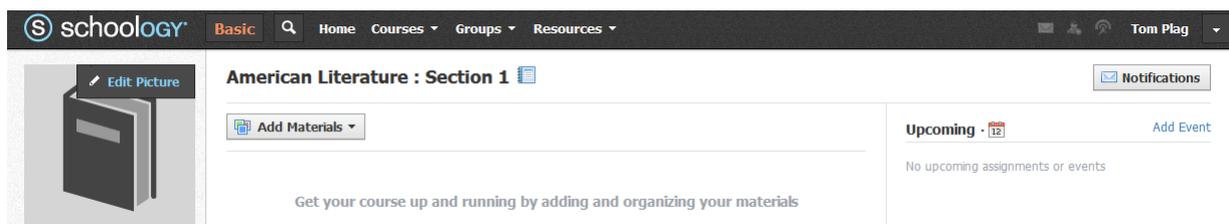

Make sure to have already created a course before.
For this manual we created the course: "AMERICAN LITERATURE".

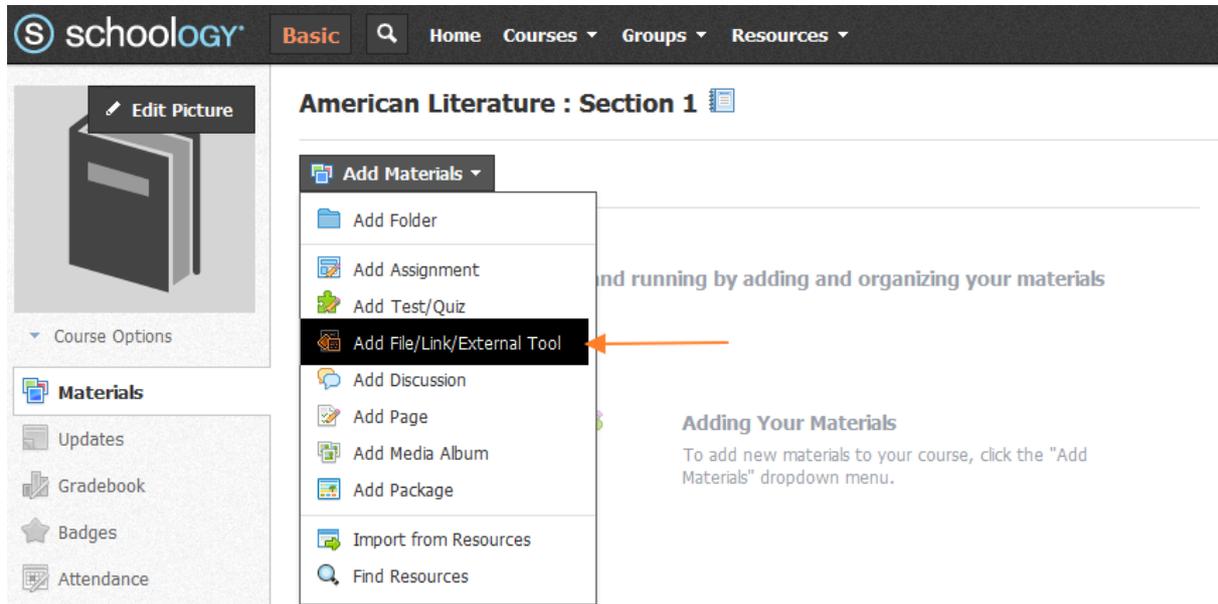

4 Pick the course that you want to use PlagScan with by clicking on it.

5 Now you are on Course View

6 Click on "ADD MATERIALS" then "ADD FILE / LINK / EXTERNAL TOOL".

7 Confirm your selection by Clicking "EXTERNAL TOOL".

Now keep your PlagScan API credentials  ready by opening the text document where you saved them before.

8 Follow the next instructions to fill out the "EXTERNAL TOOL PROVIDER" MENU

Field #1: Type PlagScan

Field #2: Copy and paste this URL: <https://www.plagscan.com/LTI/>

Field #3: Copy and paste your CUSTOMER NUMBER 

Field #4: Copy and paste your API KEY 

Field #5: Click on "SUBMIT" to confirm your information

External Tool Providers have not been added to this course

Tool Provider: Automatic, based on URL

Title: * PlagScan ← 1

URL: * https://www.plagscan.com/LTI/ ← 2

Consumer Key: API Key of Your Organization ← 3

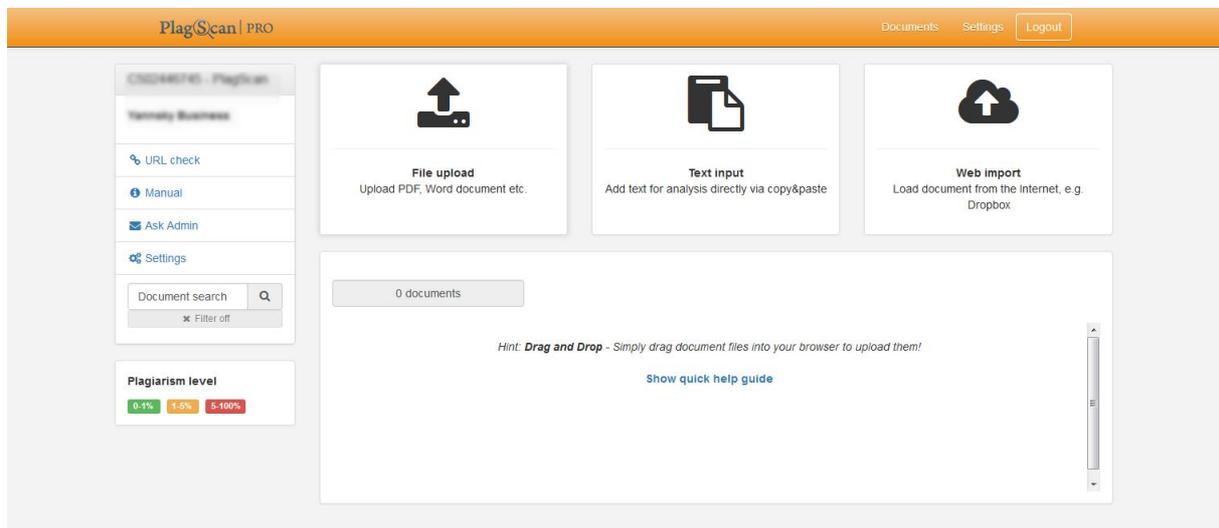

Shared Secret: Customer Numer of Your Organization ← 4

Custom Parameters:
